

19th Annual Meeting of the European Association of Archaeologists 2013

| ROOM | THURSDAY 5. 9. 2013 | | | | FRIDAY 6. 9. 2013 | | | | SATURDAY 7. 9. 2013 | | | | | |
|--------------|--|-------------|--|-------------|--|-------------|---|-------------|--|-------------|--|-------------|--|--|
| | 8:30–10:30 | 11:00–13:00 | 14:00–16:00 | 16:30–18:30 | 8:30–10:30 | 11:00–13:00 | 14:00–16:00 | 16:30–18:30 | 8:30–10:30 | 11:00–13:00 | 14:00–16:00 | 16:30–18:30 | | |
| 1 EP 130 | When the potters make the story: what can pottery tell us about the people who made and used it? (A46) | | | | Children in the Prehistorica and Historical Societies (A09) | | | | Deliberate fragmentation revisited. Assessing social and material agency in the archaeological record (A13) | | | | | |
| 2 EP 120 | Some Assembly Required: Assembling People, Objects, Discourses, and Landscapes in Archaeology (A35) | | | | Landscapes of complexity in Bronze Age central Europe (A23) | | | | EAA Student Session (G01) | | | | | |
| 3 UP 108 | New digital developments in heritage management and research (B13) | | | | General session (G02) | | | | What's for Dinner?: Archaeological evidence of food production and consumption (E06) | | Gender in flux (C06) | | | |
| 4 EP 110 | Built environments and human use of space: theories, methods and case studies (A07) | | Humanity and Creation (C07) | | Archaeological aspects of shamanism: iconography, artefacts, technology, and spiritual landscapes (A03) | | | | An Archaeologist at the Centre of Europe: A Symposium in Honour of Evžen Neustupný (C01) | | Towards new horizons. Advances in provenance methods and their repercussions in archaeology (F08) | | | |
| 5 EP 208 | Bodies of Clay – On prehistoric humanized pottery (A06) | | | | Managing lithic tools: The contribution of technological and functional studies to the understanding of stone tool management during the Neolithic (A25) | | Testing time: new approaches to archaeological chronologies, radiocarbon dating, and 14 C data (F07) | | 4000 years of world career – amber from the Neolithic to Iron Age (A01) | | | | | |
| 6 UP 101 | Thinking about health and diseases in archaeology (A39) | | Where east meets west: the impact of the Mongol invasions on the landscapes of Central and Eastern Europe – integrating science, archaeology and history (F09) | | Archaeological Perspectives on the Thirty Years' War (A04) | | Orders of knowledge. Disciplinary Powers in the Archaeological Discourse (Round Table C08) | | Examining Social Complexity within Bronze Age Steppe Societies (C05) | | | | | |
| 7 UP 104 | Social dimension of burial mounds (A34) | | Cold War in Context: Excavating the Contemporary World (A10) | | | | | | Mission accomplished – what may Archaeology expect from the new CAP after 2014? (Round Table B12) | | Comparative Perspectives on Hunter-Gatherer Archaeology of Northeast Eurasia (A11) | | | |
| 8 UU 108 | Archaeology of religion: methodological issues (C02) | | The use and perception of caves and rock shelters in Early Medieval Europe (400–1200 AD) (A43) | | EAA Executive Board Sponsored session (F03) | | | | | | What is Changing and When – Post-LBK Life in Central Europe (A44) | | Adding technology: the multidisciplinary study of historical buildings (B01) | |
| 9 UU 407 | Public Archaeology from the Ground Up (Round Table D04) | | Persistent economic ways of living – Production, Distribution, and Consumption in the Iron Age and Early Medieval Period (A31) | | Partners – Rivals – Enemies. Archaeological record of interaction between two differently structured entities and its interpretation variability (A30) | | Archaeological Sites as Space for Modern Spiritual Practice (D01) | | "Transversal World" – Focus on the Early Middle Ages in Central Europe (ca AD 600–1050) (A41) | | Iron and change in Europe the first 2000 years (F05) | | | |
| 10 EP 206 | Something out of the ordinary? Interpreting the diversity in the uniformity of the Early Neolithic LBK in Central and Western Europe (A36) | | The roles and benefits of professional associations in Europe and beyond (B14) | | Creating Landscape Visions: managing the past while imagining the future (B06) | | Archaeology meets modern art: artists' approaches to prehistoric data (D02) | | The many faces of gravettian (A26) | | Towards a real representation and interpretation of spatio-temporal data in Archaeological Record (A40) | | | |
| 11 UU 307 | Collapse and regeneration of past societies (C04) | | Deciphering agricultural footprints: New multidisciplinary studies of human-environment interactions (F02) | | Biography and Histories of Archaeology: present state and future scopes (C03) | | Gender identities in the making – prehistoric dress and network patterns in a supraregional perspective (A18) | | Transfer of Knowledge in Archaeology (C10) | | Sediment stratigraphy as the record of human impact (F06) | | | |
| 12 UP 115 | East-West: the role of Central Europe in the Iron Age (A14) | | Gendered violence in the past: Materialities and corporealities (A19) | | Comparative Perspectives on Paleolithic Socioecodynamics (A12) | | Garbage and (Non)humans (A17) | | Discovering the Archaeologists of Europe ... and of the World (Round Table B07) | | Relative vs. Absolute Chronology of the Neolithic of the Carpathian Basin and South Eastern Europe (A32) | | | |
| 13 UU 405 | Indigenous Communities in Conquered Landscapes (A21) | | Interregional contacts during the first millenium B. C. in the Europe (A22) | | Studies on settlement archaeology in the eastern area of distribution of the Bandkeramic (A37) | | Salt of the Earth: an invisible past in European Archaeology (E05) | | Social archaeology of death in the Roman world: new data and perspectives (A33) | | Geophysics in the studies of late Prehistory (A20) | | | |
| 14 EU 102 | Animal utilized, processed, depicted: large mammal exploitation by prehistoric hunter-gatherers (A02) | | Mesolithic survivals: Origins and perpetuation of wild resource use (E04) | | The Archaeology and Heritage of the Prisoner of War experience: researching and managing a fragile resource (B05) | | Digital heritage: cross cultural conversations or nationally embedded soliloquies? (D03) | | Nobility versus artisans? The multiple identities of elites and 'commoners' viewed through the lens of materials and technologies during the European Bronze and the Iron Ages (A28) | | Human DNA and Archaeology (F04) | | | |
| 15 EU 104 | Fortified settlements of the 7th–10th centuries AD in different regions of Europe (A16) | | | | Taking on the transition: new perspectives on continuity and change between the Late Bronze Age and Iron Age in Europe (A38) | | Stuff or words? The interdisciplinary study of Medieval Material Culture, a theoretical debate (C09) | | Integrating non-destructive methods of archaeological resources prospection: implications for research and protection (B10) | | Archaeology and cultural heritage during and after armed conflict (B03) | | | |
| 16 EU 106 | New Perspectives on Lithic Scatters and Landscapes: Different scales, different approaches? (A27) | | Barrow Landscapes and GIS approaches (A05) | | The life of lithic tools in the palaeolithic: Identification and interpretation (A24) | | Far From the Madding Crowd – Interpreting the Ephemeral Evidence for Rural Life (Round Table A15) | | Unexplained archaeological off-site features (A42) | | Chains of Citation: re-contextualization in the Viking Age (A08) | | | |
| 17 EU 108 | What should a PhD in Archaeology be all about? (A45) | | Meat as food, offering and identity (E02) | | Outstanding Biographies: The Life of Prehistoric Monuments in Iron Age, Roman and Medieval Europe (A29) | | Medieval and early modern glass as seen through the context of dining (E03) | | Methodology in Preventive Archaeology: Mechanization in evaluations and excavations (B11) | | Archaeology and heritage management in Europe after two decades of the Valletta convention (Round Table B04) | | | |
| 18 EU 109 | Archaeological Sites in Forests – Strategies for their Protection (B02) | | Identity and Heritage: Contemporary Challenges in a Globalizing World (B09) | | Heritage Issues in Europe's Historic Cities (B08) | | The bioarchaeology of the neolithic Carpatian Basin (F01) | | Integrated novel applications for dietary reconstructions in prehistory (E01) | | | | | |
